Cohesive Program Summary

The program guides individuals from Abrahamic monotheism to worshipping Armaaruss within the Mars 360 religion through four steps: (1) understanding the flaws of monotheism and the need for pagan revival, (2) recognizing Anthony's prophetic role via his validated predictions, (3) embracing a structured religious system with the prophet's teachings and the witness's image of Armaaruss, and (4) adopting the Mars 360 creed and ritual prayer, marking oneself with "Mars 360" to become an adherent. The process aims to provide clarity, reduce conversion shock, and establish

new spiritual and social order centered on mitigating Mars' negative influence for peace. Reading each article will lead directly to conversion

Transitioning from Monotheism to Paganism

Article: <https://anthonyofboston.substack.com/p/going-after-other-gods-and-why-tl>

This article critiques the dominance of Abrahamic monotheism (Judaism, Christianity, Islam) for suppressing pagan traditions, particularly the worship of gods like Mars, which the author, Anthony of Boston, links to societal and cosmic imbalances. It argues that monotheism's focus on a single God marginalizes planetary influences like Mars, leading to conflicts and chaos. The article introduces Armaaruss, a deity combining elements of Ares, Mars, and Horus, as a means to restore balance by reviving pagan practices. It positions the Mars 360 system as a solution to mitigate Mars' destructive influence (e.g., wars) through worship, offering a verifiable spiritual framework to ease the transition from monotheism.

Role of the Prophet in Establishing Armaaruss

Article: <https://anthonyofboston.substack.com/p/anthony-of-bostons-predictions-confirm>

This article details Anthony of Boston's role as a prophet, claiming his accurate predictions of rocket attacks on Israel (2019–2025) based on Mars' alignment within degrees of the lunar node confirm the deity Armaaruss' existence. These predictions tied to a "pact with Satan" (Mars as the Antichrist/666), validate Mars' influence on global conflicts. The article frames Armaaruss as a godhead for the Mars 360 religion with its worship intended to negotiate with Mars to reduce aggression, such as achieving a ceasefire post-2025 Israel-Iran war. This establishes the prophet's authority and the theological basis for the new religion.

Cohesive Religious Program with Prophet and Witness

Article: <https://anthonyofboston.substack.com/p/anthony-of-bostons-mission-a-timeline>

This article provides a timeline of Anthony's mission, from his personal struggles (his sister's murder, homelessness post-Hurricane Katrina) to developing the Mars 360 system. It outlines how Anthony, as the prophet, and Jessica Mars, as the witness, collaborate to create an image of Armaaruss—a muscular warrior with a spear, wolf head, and the Eye of Horus—symbolizing war and fortitude. This image unifies the religion's theology, linking Mars' astrological influence (categorized into six human archetypes based on natal Mars positions) to a social system marked by the "Mark of the Beast" on the hand or forehead. The article integrates the prophet's predictions and the witness's artistic contribution into a structured religious program.

Formal Ritual Prayer and Creed of Mars 360

Article: <https://medium.com/@noseguard20/a-brief-explanation-of-mars-360-and-its-basic-creed-d51f0cb00009>

This article outlines the Mars 360 creed and ritual prayer, finalizing the conversion process. It describes Mars 360 as a belief system where Mars influences six negative personality traits based on its position at birth, promoting equality among these traits for social harmony. Adherents worship Armaaruss by posting its image on a wall and marking themselves with "Mars 360" during prayers, symbolizing allegiance.

Anthony's successful predictions (e.g., October 7 attacks, 2021 Gaza war) justify this deification, with the ritual serving to reduce Mars' malign influence and affirm the individual's faith as a full adherent.

Closing

Reading through all four articles will prepare converts to accept Armaaruss as their Lord and Savior and take part in Mars 360.
